REACHpay

A payment gateway directly from REACH

**Simply put, using REACHpay
simplifies your donation process
and lowers your overall cost.**

- the REACH team

Enhanced Fraud Detection

Should REACH*pay* detect potential fraud, the REACH system will notify an admin immediately with next steps.

Secure Payment Gateway

REACH*pay* is a secure, PCI Level 1 compliant service offered through Stripe Connect.

Less Fees

There is a single, 3% transaction fee for credit card donations and a \$1 + 1% transaction fee for ACH/EFT donations charged to your nonprofit.

Automatic Card Updater

Automatically updates expired or no longer active cards ensuring no donations are missed.

Built-In Payout Reconciliation Report

Search your donations directly within REACH and reconcile them as needed with your banking account.

Accept Google Pay & Apple Pay

Easily accept Google Pay and Apple Pay from your supporters. All major credit cards and US bank accounts (ACH/EFT) are also accepted.
